According to Law 506/2004 concerning the processing of personal data and privacy in the within digital communications platforms, SC BIT SOFT SRL, as owner of the web site http://www.breezepos.net/ presents the cookies policy used on this site.
The information presented below are aimed to let you know more about the placement, use and administration of "cookies" on this website.

1. What is a "cookie"?
An "Internet Cookie" (a term also known as "browser cookie" or "HTTP cookie" or simply "cookie") is a small file, consisting of letters and numbers that will be stored on your computer, mobile terminal or other equipment of an user who accesses the Internet.
The cookie is installed by the request issued by a web server to a browser (eg Internet Explorer, Firefox, Chrome) and it is completely "passive" (does not contain software, viruses or spyware and can not access information from the hard drive of the User).
In what we call "Web 2.0", the "cookies" play an important role in facilitating access and delivery of multiple services on the Internet, such as the correct display of a website when you are using your mobile phone. The cookies offer to the owners of the sites a valuable feedback on how these are used by visitors, so they can make it more effective and more accessible to users and they can include applications or functionalities on the site that create a more valuable, more useful and more enjoyable navigation experience.

2. How are cookies used by this website
This website uses cookies (both its own and from third parties) to provide visitors a better browsing experience much and services tailored to the needs and interests of each of them. The cookies used on this site are to:
- Identify the type of device used to access the Web site, desktop or mobile , and display its contents properly
- Correct functioning of this website
- Collect the statistics that allow measuring site's traffic and time spent on site etc.
Cookies are the main point of the efficient functioning of the Internet, which are helping to generate a friendly browsing experience and adapted to each user's preferences and interests . You may refuse to use cookies on this site and in this case certain features of this site will be difficult to visit and use. You can also delete cookies at any time via the Web browser settings.

3. How can you turn off cookies?
All modern browsers allow you to change your cookie settings. These settings are typically found in "options" or " preferences " menu of your browser.
For more details you can use the " help" menu of the browser or use the links below for cookie settings :
